

Vishwakarma Sangrah

Sample eBook for website download and 3D reader testing

विश्वकर्मा संग्रह

सृष्टि के प्रथम शिल्पकार भगवान विश्वकर्मा की दिव्य कथा

About Bhagwan Vishwakarma

Bhagwan Vishwakarma is traditionally respected as the divine architect and master craftsman. This sample booklet is created only for testing the eBook upload, cover display, download button, and 3D page flip viewer on your website.

You can replace this PDF with your real book PDF later. Keep the file inside uploads/ebooks/ and save only the file name in the database book_file column.

For cover image, keep the image inside uploads/ebooks/covers/ and save only the image file name in the database cover_image column.

How to Use This Sample

Step 1: Copy this PDF to uploads/ebooks/ folder.

Step 2: Copy the cover image to uploads/ebooks/covers/ folder.

Step 3: In phpMyAdmin, update the ebooks table with cover_image and book_file names.

Step 4: Open ebook.php and check whether the cover is showing.

Step 5: Click Read Online to test your 3D flip page viewer.
